During the registration process, you must register every child in your household that is a Reed-Custer student. You will have two internet options for fee payment. You can pay by credit card or electronic check through Revtrak. You can also call the Administration Center and create a payment plan.

Preferred web browsers for online registration are Firefox, Chrome, Internet Explorer 11 or Safari. You can use the Internet on most smartphones to register. The PowerSchool app (available for iOS or Android) will not allow access to online registration. Computers are also available at Fossil Ridge Library.

## RCMS Athletic News

With Region 7 moving to Tier 1 mitigations, we plan to begin in-person team practices for Boys Basketball, Girls Volleyball, and Cheer next week (exact day to be determined). If your child plans to participate, the most urgent task is to ensure he/she has had a physical within the last 13 months. Athletes may not begin practices/tryouts without one. 6th grade students - the mandated physical covers the sports physical.

Exact scheduling and locations are yet to be determined. Coaches will be sharing information via Google Classrooms, and I will stay in communication with students via lunch announcements. Please reach out to [chad.klover@rc255.net](mailto:chad.klover@rc255.net) with any questions.
