

February 2012

Parent-Teacher Conferences

On February 16 and 17, we will have our second Parent-Teacher Conference days. Conferences are not required for all students. If you do not receive a conference notice and you would like to meet with your child's teacher, please call the school.

ISAT Test Dates 2012

Please mark your calendars for March 6 – March 11, as these are the dates for our state tests this year. This year all students in grades 3, 4 and 5 will be tested in reading and math. Fourth grade will also take a test in science. More information will follow. When scheduling appointments, please avoid student absences on these days.

Preschool Screenings

The Southern Will County Cooperative for Special Education will be holding preschool screenings at Fossil Ridge Library on March 1 & April 12. Please call RCPS to make your appointment at 458-6340.

Yearbooks

Yearbooks are still for sale! The cost is \$14.00. Order forms have been sent home and are available in the school office. Orders will be accepted until May 24, 2012.

Snow Days

We will continue to use the AlertNow system for making calls when school is cancelled. This makes it more important than ever for you to be sure the schools have your current phone number. The superintendent will make every effort to make the call by 5:00 am. You can also check the school district website for updates at www.rc255.net. Local radio stations and television stations will also have the information.

St. Jude's Mathathon

Students at RCIS have participated in this worthy activity for the past four years. Students raise money for St. Jude's Children's Research Hospital by getting pledges for completing math problems. This is a completely voluntary activity! When the information comes home, simply fill out the form to receive an activity book and you will receive more information!

Kindergarten Registration

Registration for the students entering kindergarten will take place on February 29 and March 2 at Reed-Custer Primary School. Students must be 5 by September 1 to enter. You will need to present an original birth certificate and proof of residency during the registration process. Please pass on this information to anyone you know may need it. Call 458-2307 for more information.
