

## 2021-2022 Registration Information

**Online registration** will be completed through PowerSchool, which will be open on February 1st, 2021. Parents who register online before March 31st are eligible for a discount.

**A Parent [PowerSchool](#)** account is necessary to register students. If you do not have an account in PowerSchool, please contact your student's school building secretary.

**Once** logged into your PowerSchool account, you must click PowerSchool Registration (not Class Registration). During the registration process, you must register every child in your household who is a Reed-Custer Student.

**Preferred web browsers** for online registration are Firefox, Chrome, Internet Explorer 11, or Safari. You may also use the Internet on most smartphones to register. However, the **PowerSchool app (available for iOS or Android) will NOT allow access to online registration.** Computers are available at Fossil Ridge Library.

**Bus Information** will be available on PowerSchool's Parent Portal after August 3rd, 2021. Students will not be assigned transportation until registered.

**School lunches** consist of a choice of a main item (protein and bread group), 3 choices from the assortment of fresh, canned and/or frozen fruits and vegetables, and choice of 2% white, 1% chocolate, or skim milk. **Breakfast** will be available at all buildings. Student prices are:

Elementary School Lunch	\$ 2.25
Middle & High Schools Lunch	2.75
Reduced lunch students (all buildings)	.40
Breakfast (full price, all buildings)	1.50
Breakfast (reduced price, all buildings)	.30

**Free and Reduced Lunch** status from last year will carry over to the 2021-2022 school year for 30 days. After that time, you may be required to fill out a new lunch application. The free lunch form will be available on our website after July 1st.

**Two options for fee payment** will be available. You may pay any time by credit card or electronic check through [Revtrak](#). If needed, a payment plan can be set up by calling the administration Center. Families in good financial standing may request a promissory note for required fees (not optional fees), for an additional charge of \$12.00. All outstanding debt must be paid from previous years.

**Elective and optional** fees include band instrument rental, athletic passes, yearbooks, WILCO, and Driver's Education. Some High School classes may require additional supplies that are not included in the registration fees and are payable at the High School office.
