

Back to School Reminders

We're off to the start of a wonderful 2014-15 school year! Please remember...

- If your child is a car rider, the doors do not open until 8:20. Teachers are not required to be at school until 8:15, therefore there is not supervision until that time. If you arrive before 8:20, and want to wait with your child until the doors open, you are welcome to pull into a parking spot in the lot until the doors open and you can pull up to the doors. Please do not park in the drop off spots. Be advised, if you drop your child off before the doors open, there is not supervision until 8:20.
- When sending a note to school about a change in pick up or drop off, please be sure the child's first and last name are listed. These notes get sent from the teacher to the office and can get confusing!
- If you are going to change the end of the day plan for your child, for instance, car rider instead of bus rider, please call by 1:00 PM to insure the message gets to your child.
- If your child is an afternoon car rider and does not yet have a name card for the car, the forms can be picked up in the office, or from a supervisor at dismissal.
