RE: WORD OF THE WEEK
SIXTH GRADE: Integers - are the set of positive whole numbers and their opposites, -3, -2, -1, 0, 1, 2, 3
SEVENTH GRADE Simultaneously - At the same time. My favorite television shows are broadcasted simultaneously.
EIGHTH GRADE: Tactic – A plan for attaining a particular goal. The battle tactics of the Union were much different than those of the Confederacy.

RE: GIRLS BASKETBALL RESULTS
EIGHTH GRADE
The 8th grade Lady Panthers lost to Dwight last night 13-19. Awesome defense kept us in the game but turnovers and missed shots under the hoop ultimately led to the loss. Emily Lochner led the team with 5 points and 4 steals while Sam Bruns had 4 points and 7 rebounds. Adrionna Williams had 4 points, 6 rebounds, and 2 blocked shots. Good luck tonight against Channahon!

SEVENTH GRADE
The 7th grade girls basketball team won last night in a total team effort. Maddy Ziesmer, Caelan Cole, Sam Sprimont, Laci Newbrough, Brooklyn Harding, and Kaleigh Runyon all scored for your lady Panthers. Grace Moyers and Zoe Hassett were forces on defense, like usual, and helped secure a 26-12 win for their team. Way to go ladies!

SIXTH GRADE
A Team dominated on the road last night in Dwight with a final of 29-0. Offensively, the girls executed the offense the best they've ever had with great ball movement. Everyone contributed in different ways, whether it came to rebounds, steals, or baskets. Leading scorer last night was Mya Beard with 14 points, Mackenzie Keller had 6, Maddie Kennan had 5, and Jayla Skinner and Kaylee Tribble each had 2. Great job and let’s get another one tonight in Channahon.

The 6th Grade Girls B Team won again last night with a score of 8-6 against Dwight. Leading scorer was Adi Fierro with all 8 points. Everyone contributed to the win again throughout the game. All the girls worked hard on defense, grabbed many rebounds and had outstanding ball movement to get the hard fought win. The girls have won 4 games in a row and hope to keep that streak going! The basketball team is back in action on Tuesday when they play Channahon on their home court. Good luck ladies and keep playing hard!

RE: STUDENT OF THE MONTH
The Student Characteristic Trait for the month of October is respect. Respect is an admiration of someone or something for their abilities, qualities, or achievements, including feelings of value or importance.

An example of respect is to ask permission before using an item that belongs to another person. Respecting someone’s personal property is part of respecting the person.
