

From The Principal....

We have had a busy but exciting start to our school year. The students are in the routine and ready to learn. Please check their take-home folder each night. You will find important information from your child's teacher, paper/projects, and notes from the office. These items are great to use as prompts when talking to your child about school. For example, "Tell me about this shape on your math page." "Show me how to write this letter/word." "Read what you wrote on this page." The home-school connection is a vital component in your child's education. Please feel free to call me anytime with questions or concerns.
